Contributing to a Wiki

After you have created a wiki, you can add text, hyperlinks, images, embedded media and upload files.

- 1. Enter a wiki site.
- 2. If there are no pages, click the Add New Page link.
- 3. In the Add New Page dialog box, enter a title in the Title field.
- 4. If the page is a child page, select the parent page you want the page associated with from the list under Create new page under....
- 5. Click the Continue button.

Adding Text:

- 1. Enter the information into the text box.
- 2. If you copied text from a WORD document:
- August 19, 2010
